1.		<b>Apologies for absence:</b> Elaine Shimbart (Deanery Synod); Candy Williams; Lynne McNeill; Barbie Lloyd (Deanery Synod)	
		Fr Mike welcomed everyone and thanked them for coming.	
2.		Minutes of last PCC meeting on 21 <sup>st</sup> February The minutes were agreed as a true and accurate record.	
3.		Matters Arising from Minutes Page 4, Item 10 – Dick is trying to arrange First Aid training for the afternoon of Friday 26 <sup>th</sup> May and is waiting for the trainer to confirm.	DH
4.	a)	Approval of Accounts 2016 Dawn had already circulated the Balance Sheet and the Combined Accounts Overview for 2016 to everyone in advance of the meeting and she went through it at the meeting. She offered to send a full copy of the accounts to anyone that would like them. The Combined Accounts Overview is what goes in the APCM report and pretty much matches the figures which she presents to PCC each month. The accounts are with Paul Read who is auditing them. Dawn hopes there will be no alterations but these accounts are presented on the understanding that if Paul comes back with any changes we will have to amend them. We have received dividends on our accounts. Dawn has again depreciated the Hall by 2%. We again paid our Parish Share in full. Dick said we have to remember that we spent almost £20,000 on the repair of the Sacristy roof which came out of our investments. Malcolm Brewer proposed a voted on thanks on behalf of the PCC which was seconded by Rosy Stone and agreed unanimously to Dawn for the fantastic job that she does as Treasurer. Fr Mike said the amount of people involved in fundraising during the year is amazing. He would like to say thank you to everyone who does this, far too many to mention. Lots of little things go on behind the scenes as well. Dawn read out an e-mail from Paul Read. In the light of the Westminster tragedy he wondered whether we could hold a special one off retiring collection for the St George's Police Children's Trust. We usually buy Paul wine for auditing the accounts but this year he has asked that rather than do this we donate the money to this Trust instead.	MS

go to congregation members who perform roles toward the running and maintenance of the church. Also to keep a list of any supplier or contractor involved.

PSG and Gift Day - John said that the Gift Day was very successful last year and will be repeated again this year. He said there will be a letter for everybody on Sunday 9<sup>th</sup> April asking for donations as we

need to build up our reserves particularly if we are looking at a new boiler. These will be due back the last Sunday in April – the APCM and Parish lunch.

There are 50 people in the congregation using the Parish Giving Scheme which saves Dawn a huge amount of time. David Cavey will write personally to the 25 people donating regularly by Standing Order emphasising the benefits of this scheme and stressing that you don't have to be a tax payer to join the scheme.

## 5. LYCIG – Mission Group

Fr Mike said he had nothing to report. John said he went to a follow up meeting at St Judes. He said it confirmed his feeling that the scheme is aimed at smaller or more struggling churches than we are. The main message from the evening was that we each need to get out there and invite a friend along to a church service. Fr Mike said one of the original suggestions was to involve children in the liturgy and this will start on Sunday with a team of 5 children serving with the adults. Thank you to Dick for making a cross and candles for the acolytes.

#### 6. **Pastoral Committee Report**

The minutes of the meeting held on 7<sup>th</sup> February have already been circulated. Rosy said the next meeting is on 2<sup>nd</sup> May. It was pointed out that this meeting might need to be postponed as the first meeting of the new PCC will not have taken place by then so you won't know which PCC members are on which committee.

Fr Mike said we did have a special meeting to look at the Electoral Rolls over the last 5 years. It turned out that there was a very small drop out of about 10 who Rosy is contacting. The main drop out was through illness or death.

### 7. Hall Committee Report

The report of the meeting held on 22<sup>nd</sup> March has already been circulated.

- Colin said there is nothing major to report. Colin said PCC will remember that we had to have the roof on the western side of the hall replaced so the next big expense will be doing the same thing on the eastern side. Looking to build up our funds to cover this.
- 25 paying people came to the pop-up cinema last week. We have asked them to let us have details of the next film once known so we can advertise it in the Bulletin.

		stone who is standing down as Churchwarden. She is of course entitled to still come to PCC meetings for the next year if she so wishes. Thanks also to 2 members of the PCC – Lynne McNeill and Candy Williams who come to the end of their 3 years on PCC. Malcolm Brewer has only stood for one year so is entitled to re- apply for PCC for another 3 years. Barbie Lloyd and Elaine Shimbart come to the end of their 3 years on Deanery Synod. Elaine has already said that she will not carry on because of her mayoral duties. Fr Mike said it is really important that we have two representatives on Deanery Synod going into a vacancy so that St George's does not get forgotten. It is hoped that we can persuade Barbie to re-apply for another 3 years.

13.	<b>Report from Parish Profile Sub-Committee</b> A copy of the Parish Profile that the Sub-Committee have worked on was circulated to all PCC members before this meeting in order that people had time to look through it and come up with any questions.	<u>ACTION</u>
	It was suggested that we seek, through the Archdeacon, a statement from the Bishop to include in the Profile about the sort of church St George's is and the kind of person he would like to see appointed.	JH
	After discussion the following was proposed:	
	<ul> <li>John Hood proposed that we will <u>not</u> seek Alternative Episcopal Oversight and this was seconded by Colin Monk and agreed unanimously.</li> <li>We understand that Bishop's nominations could be put forward twice and if we find no-one suitable the Diocese will then pay to put an advertisement in the Church Times. John Hood proposed that we go with the Bishop's nominations in the first instance and this was seconded by Colin Monk and agreed unanimously.</li> <li>The Parish Profile was discussed at length and it was agreed to add "Patron: Bishop of Portsmouth" before "Parish Setting". Otherwise it was accepted and John Hood proposed that it is sent to the Diocese for their initial comments and suggestions and possibly a statement included from the Bishop as mentioned above. This was seconded by Dick Handy and agreed unanimously.</li> </ul>	JH
	various services during the Interregnum. It has been suggested that perhaps this could be done so that we get the same priest regularly on a particular day/week each month. John said that we would need to set up a separate auditable account through which we would pay the priest on the day of the service. This applies to both regular and additional services including baptisms, weddings and funerals. These payments will then be re-imbursed by the Diocese. There is a need to agree how often we will hold baptisms — every Sunday or once a month with several baptisms in one service. This needs to be agreed urgently so that those people on Parish Office know what to tell people when they come in to	

book baptisms.

The meeting closed at 9.40 pm
